

PlanITROI

Purpose-Powered Technology Lifecycle Solutions

PlanITROI is a leading global provider of secure, purpose-driven IT lifecycle management solutions to corporations, schools, OEMs, and non-profits. Our partners rely on us to provide end-to-end ITAD asset value recovery services, reverse logistics solutions, 100% guaranteed data security, and real-time transparent reporting and analytics. By leveraging the circular economy to bring affordable technology to lower income households, we're helping bridge the digital divide.

WHY CHOOSE PLANITROI?

Receive Up To 3x More

Get far more recovery value per asset when we sell your secured and refurbished assets directly to the end user.

Clear Chain-of-Custody

Always see where your devices are using our proprietary PlanITvision tool that integrates into ServiceNow.

100% Data Security

Securely wipe data with **NAID AAA** and **NIST 800:88** standards — no incidents, ever!

Sustainable

Reuse of devices and retired assets help impact families caught in the digital divide and significantly reduce e-waste.

24/7 Asset Insight with PlanITvision

Real-time visibility, reporting, and analytics into the entire disposition process, and seamless integration with:

- Key dashboard metrics
- Excel and PDF reporting
- POS/POU, social, and environmental impact reporting
- Informed decision making
- Improved inventory control
- Historical data display and analytics

Schedule pickups, track, and see inventory live

Reporting at the click of a button

Real-time analytics

Control over Deployment, repairs, and reallocations budget

YOUR DEVICES + OUR PROCESS = MEANINGFUL IMPACT
